

4-H Needs You To Volunteer

Calling on all 4-H Families and Volunteers! Please consider volunteering for an hour at Paper Clover Week!

We are anticipating a 10% increase in most camps, conferences, and paid programs over the course of 2025. If you have a child that wants to or plans on participating in animal showing, camps, conferences, shooting sports programs, or 4-H in general, we **NEED** you to volunteer during paper clover week!

Paper Clover Week is a week when Tractor Supply in Livingston collects donations for 4-H. Youth stand next to the register and ask people as they are checking out: “Would you add some money to your purchase to help us participate in 4-H?” Our goal is to accumulate \$5,000 in donations through Paper Clover Week. 100% of the donations go to 4-H.

Dates for the 2026 Paper Clover campaigns are:

Spring: April 17 - May 3, 2026

Winter: November 27 - December 13, 2026

We ask all 4-H members to volunteer at least one shift. Over half of the funds go to you, a small amount comes to the overall county program, and even smaller amount is for TN 4-H!

Sign up today!
