Program Details

This is a limited capacity program. Must be in **4th grade** and up as of **January 1, 2027**. **This program must be completed before you are allowed to attend regular sewing program.**

The sewing day camp will focus on getting the skills needed to join our sewing program.

All youth are considered **beginners** until agents and volunteers evaluate their progress and projects completed.

Projects completed will vary based on the youth's progress. Youth attending will complete at least **two projects**.

Cost of continuing sewing varies by project. Purchasing additional supplies, materials, and/or fabric may be required for projects therefore projects may cost more.

We have many sewing machines for youth to use. Youth may use our machines or bring their own. As youth advance, we will encourage them to invest in their own machines.

E-mail **nmarrero@utk.edu** to reserve a spot. If your child has completed any sewing, include information on that too.

We accept cash, check, and card. Payment is due one week prior.

Programs in agriculture and natural resources, 4-H youth development, family and consumer sciences, and resource development.
University of Tennessee Institute of Agriculture, U.S. Department of Agriculture and county governments cooperating.
UT Extension provides equal opportunities in programs and employment.
